

Visiting for Kiwanis Lodge - Long-term Care

We are thrilled to now be offering social visits for our Villagers and their chosen designate.

We have learned together through this pandemic the importance of family, friends, and everyday social connection. We have witnessed the resilience, strength and kindness that connects us as human beings. We are learning together how to integrate the requirements from the Long Term Care regulations along with guidance from the Centre for Disease Control, Island health and the Provincial Health Office.

Given this mutual understanding of COVID-19 and in an effort to maintain our healthy community, we ask all Villagers and their visitors to follow the steps below:

- Visiting will occur daily, outside, in our designated "Heart Park" in front of the Lodge
- Each Villager may have one designated visitor at this time
- At this time, we are not allowing children to visit
- If any visitor has any signs of illness, they will not be permitted on-site.

To book your visit:

Call our Visiting Hotline at: **250-740-2727**. Leave a message here and we will return your call.

As a visitor, you should be prepared to:

- Upon arrival, you will check in with security.
- Have your temperature taken, using a forehead scanning thermometer
- You will park in the dedicated visitor parking spot - it is located in front of the Lodge, across from the green visiting tent. Keep in mind there will be visits happening prior to yours, so please avoid arriving early.
- Our recreation staff will complete the screening process. You will be given a mask, and educated on proper use of personal protective equipment.
- We will discuss hand hygiene, respiratory etiquette and safe physical distancing
- Your name and phone number or email is required for Public Health contact tracing, as well as agreement to answer screening questions about health and travel.
- Social distancing of 2 metres/6 feet for the duration of the visit is an absolute requirement.

We appreciate your patience, resilience and understanding as we navigate this process together. We are thrilled you're here, and happy to assist in any way we can.

*Thank
you*
