Questions & Comments from family members:

- Resources available to residents:

Families would like to see a resource group available at the Lodge.
 Discussion around having a reference list for resource groups. Some examples: audio book program, setting up Zoom calls, access to volunteers, Granny Go Go.

Response – Great idea, create a resource list to send out to families.

- Helping out residents for zoom calls with family:

Response – It has become challenging due to the Covid visiting regulations.
 The recreation department is doing the rapid testing and supporting residents on all four floors.
